6 **PORTATION PLANS.**

7 Section 70103(b)(2) of title 46, United States Code,
8 is amended by redesignating subparagraphs (C) through
9 (F) as subparagraphs (E) through (H), respectively, and
10 by inserting after subparagraph (B) the following:

11 “(C) include a list of each facility located in the
12 area covered by the plan that could reduce the
13 health, environmental, or economic consequences as-
14 sociated with a transportation security incident
15 through the substitution of chemicals or processes
16 currently used in the facility with alternative chemi-
17 cals or processes that would not significantly impair
18 the ability of the facility to conduct its business;

19 “(D) for areas that include or are near a large
20 population, or that are of special economic, environ-

1 mental, or national security importance and that
2 might be damaged by a transportation security inci-
3 dent, include a list of special efforts, measures, or
4 procedures required of any new facility proposed to
5 be located within or near the area that will deter a
6 transportation security incident involving the facil-
7 ity;”.
